Sunday school Parent Covenant

3K - 4th Grade in 2019-20

We look forward to a new Sunday school year. By the waters of Baptism, we are all bound together to raise children in the Christian faith. Growing in faith takes commitment, prayer, and daily devotion.

A covenant is a binding promise between two parties (historically biblical in nature). We ask that you commit to this covenant and joyfully serve your child(ren) in Christian faith.

I will help my child/children grow in faith by committing to all of the following:

- † I will pray for my child(ren) every day.
- † I will pray with my child(ren) daily.
- † I will worship regularly and bring my child(ren) to Sunday school each week.

I will commit to the following:

- I will help with or provide leadership for the Breakfast in Bethlehem or the Easter egg hunt.
- I will help with or provide leadership for the Christmas program.
- I will help with or provide leadership for the spring service project.
- I will help with or provide leadership for the choir musical.

I commit to this covenant made between my family, my church, and God.
